Personal reminders

Certifications

Renew the Azure AI Engineer Associate certification by June 2024. Book the AZ-204 exam and schedule at least 4 weeks of study time before the date. Aim for 80 percent or above on three consecutive practice tests before booking.

Learning goals

Finish the vector search deep-dive course. Read the Azure AI Search REST API reference end to end. Build one personal RAG project to anchor the new concepts.

Misc

Update LinkedIn after certification renewal. Submit Q1 expense reports by April 5.
